# ACP's Coverall Tags as easy as...

① Lift

② Write

③ Laminate

These protective tags are perfect for labeling and identifying cables and wires.

- Includes a clear, self-sealing flap that protects written information
- Standard colors: Red, Orange, Yellow, Blue, Green, and White
- Standard Coverall Tag material: .020 calendered vinyl
- Preprinted or Blank
- Packaging: 25 tags and 50 8" cable ties per bag
- Optional: Order a 12-pack of Rain or Shine™ pens to your order! Or ask us to custom print the tags for you.

ACP's assortment of identification tags are versatile and durable, simplifying your identification needs.

ACP's Rain or Shine™ Pens are made exclusively for ACP and are ideal for writing on your cable tagging products.
