Label with Confidence Label with ACP Tags

COVERALL™ Tags

ACP's COVERALL tags are perfect for labeling cable, fiber optics, wiring, and wire bundles. Write important information on the COVERALL tags with the Rain or Shine marker and safeguard it with the self-sealing flap. The 2" x 3.5" tags come with two 8" cable ties per bag. Use these COVERALL tags to communicate information for years to come!

Legend	Part No.	Product Description

N/A	VWC-150W2 (White)	1.5" x 4"

Safety Lockout Tags

Use ACP's Safety Lock Out tags to identify dangerous machinery and hazardous power sources that have been shut off or taken out of service. These tags help you maintain OSHA compliance. Choose from our standard options, or ask us how we can customize them for you. We can also make your Safety Lock Out Tag a COVERALL with a special laminating flap. Just ask us!
